8905852976 | [bohraraghav43@gmail.com](mailto:bohraraghav43@gmail.com) | [Linkedin](#)

Enthusiastic and motivated postgraduate student seeking job opportunity to work with a company which appreciates innovation so that I can enhance my knowledge and skills to give my best for the growth of the company.

## EDUCATION

---

<b>Rajasthan university</b> Bachelor of Science	2019 - 2022
<b>Manipal University, Jaipur</b> Master of Computer Application   SGPA...9.0/10	2023-2025

## WORK EXPERIENCE

---

### CELEBAL Summer Internship (CSI) – CELEBAL Summer Internship in data science (Current)

- Developed and deployed machine learning models.
- Implemented data-driven solutions with cross-functional teams.

### Python Programming intern – CODSOFT

April 2022 - May 2022

Python Project - Weather Forecasting, Password Generator, Quiz Game, Calculator

## PROJECTS

---

### Login Page in Python using Django Framework [\[Github Link\]](#)

- Implemented a login page utilizing Django Framework, gaining proficiency in its functionalities.
- Developed email verification feature to enhance security and user authentication.

### Voice Assistant using Python [\[Github Link\]](#)

- Leveraged multiple Python modules and libraries to create a voice assistant application.
- Utilized Selenium for web automation and interaction.

### Stock Price Prediction [\[Github Link\]](#)

- Developed a project using Python's various libraries to predict stock prices.
- Utilized historical stock data as input and employed data analysis techniques to provide future price predictions

### Video Upload and Subtitle Processing Application [\[Github link\]](#)

1. **Video Upload & Processing:** Develop a Django application that allows users to upload videos, with subtitles extracted using ffmpeg and displayed as closed captions.
2. **Search Functionality:** Implement a feature to search for phrases within videos, providing timestamps for easy navigation.
3. **Containerization & Storage:** Containerize the application with Docker, storing videos in the Django media folder and subtitles in a PostgreSQL database.

## CERTIFICATIONS

---

- Introduction to Artificial Intelligence (AI) by IBM Coursera
- Python Internship Certificate by CODSOFT
- ChatGPT & AI Tools by Skill Nation
- Data Analytics Essentials by CISCO
- Python Essentials by CISCO

## TECHNICAL SKILLS

---

- Python
- Machine learning
- Deep learning, NLP
- Django
- Aws
- Java

- Docker
- C
- SQL
- Word, Excel
- Rest Api
- Power Bi
- GitHub
- PostgreSql
- Linux
